

REMARKS

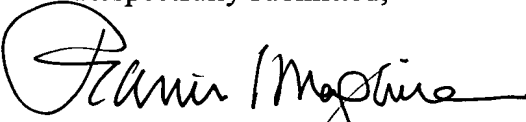

This amendment is filed in response to the Office Action of February 5, 2008 in which claims 1-32 are pending in the application, claims 1-25 have been allowed and claims 1-10 and 26-32 were rejected.

After considering the Examiner's remarks in the telephone conversations of January 16 and 17, 2008, and the Office Action of February 5, 2008, the Applicant has decided to cancel the phrase "wherein said execution of said tasks in said terminal is postponed to a later point in time."

It is now believed that all the claims are in condition for allowance.

The objections and rejections of the final action of February 5, 2008, having been obviated by amendment or shown to be inapplicable, withdrawal thereof is requested and passage of amended claims 1-32 to issue is earnestly solicited.

Respectfully submitted,
